ABOUT ME

Graphic Designer & Illustrator with 5+ years turning complex briefs into client-ready visuals for enterprise brands including **Sesame Workshop, Bisleri, Netflix, Mercedes-Benz, and HCL**. Known for taking a project from concept to print-ready file with minimal revision cycles, strict brand-guideline management, and translating dense content into visual storytelling non-designers immediately understand — while leading multiple stakeholder-facing projects at once without sacrificing quality or deadlines.

SKILLS

Design & Illustration: Adobe Creative Suite (Photoshop, Illustrator, InDesign), Figma, Procreate, Procreate Dreams — typography, layout, illustration, packaging, and print production

Motion & 3D: After Effects, Autodesk Maya

AI-Assisted Workflow: Midjourney, Adobe Firefly, ChatGPT — used for ideation and creative development

Client & Production Tools: Canva, CorelDRAW

EXPERIENCE

Senior Graphic Designer | *Sesame Workshop India* | July 2023 – Present

- Delivered branding and campaign visuals for **25+ enterprise clients** — including Reckitt, Vedanta, L&T, IndusInd Bank, the Meghalaya Government (MHSSP), Abbott, Mercedes-Benz, HCL, Netflix, and Bisleri — maintaining a 95%+ on-time delivery rate through direct coordination with client and marketing stakeholders from concept to final sign-off.
- Translated complex learning objectives into child-friendly illustrations, layouts, and typography across **30+ educational books, activity sheets, and games** used in 50+ classroom and digital learning programs.
- Cut average asset turnaround time by **20%** while producing 100+ print and digital marketing assets — banners, posters, brochures, presentations, and social creatives — by holding strict brand-guideline and print-ready production standards.
- Reduced client revision cycles by **25%** on major campaigns by proactively aligning layout, typography, and visual accuracy with stakeholder feedback ahead of final handoff.
- Illustrated original character art, spot illustrations, and visual systems for **10+ children's storybooks and campaign series**, building consistent visual worlds from concept sketch through final print-ready art.

Associate Graphic Designer | *Bisleri Water Plant* | April 2021 – June 2023

- Built packaging and brand-identity systems for **20+ product lines**, holding 100% brand-guideline consistency across print and digital touchpoints.
- Partnered with marketing and sales teams to design POS materials, banners, standees, posters, and brochures for **40+ retail and marketing campaigns**, aligning creative with on-ground retail needs.
- Produced **50+ brand-consistent visual assets** across 15+ CSR and sponsorship events, turning stakeholder briefs into print-ready materials on tight deadlines.

Graphic Designer (Internship) | *Digigrow* | 2020 – 2021

- Developed layouts and visual concepts for **30+ social media creatives and digital campaign assets** directly from client briefs and creative-team feedback.
